# A BILL

To clarify the Administrative Dispute Resolution Act of 1996 to authorize the Merit Systems Protection Board to establish under such Act a 3-year pilot program that will provide a voluntary early intervention alternative dispute resolution process to assist Federal agencies and employees in resolving certain personnel actions and disputes in administrative programs.

1       *Be it enacted by the Senate and House of Representa-*  
 2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       *This Act may be cited as the “Merit Systems Protec-*  
 5       *tion Board Administrative Dispute Resolution Act of*  
 6       *2000”.*

7       **SEC. 2. FINDINGS.**

8       *The Congress finds the following:*

9               (1) *Workplace disputes waste resources of the*  
 10       *Federal Government, take up too much time, and de-*  
 11       *flect managers and employees from their primary job*  
 12       *functions.*

13              (2) *The Merit Systems Protection Board (here-*  
 14       *after in this Act referred to as the “Board”) has al-*  
 15       *ready taken steps to encourage agency use of ADR be-*  
 16       *fore appeals are filed with the Board, including ex-*

1        *tending the regulatory time limit for filing appeals*  
2        *when the parties agree to try ADR, but high levels of*  
3        *litigation continue.*

4            (3) *The Board's administrative judges, who de-*  
5        *cide appeals from personnel actions by Federal agen-*  
6        *cies, find that by the time cases are formally filed*  
7        *with the Board, the positions of the parties have hard-*  
8        *ened, communication between the parties is difficult*  
9        *and often antagonistic, and the parties are not ame-*  
10       *nable to open discussion of alternatives to litigation.*

11           (4) *Early intervention by an outside neutral,*  
12       *after the first notice of a proposed action by an agen-*  
13       *cy but before an appeal is filed with the Board, will*  
14       *allow the parties to explore settlement outside the ad-*  
15       *versarial context. However, without the encourage-*  
16       *ment of a neutral provided without cost, agencies are*  
17       *reluctant to support an early intervention ADR pro-*  
18       *gram.*

19           (5) *A short-term pilot program allowing the*  
20       *Board, upon the joint request of the parties, to inter-*  
21       *vene early in a personnel dispute is an effective*  
22       *means to test whether ADR at that stage can resolve*  
23       *disputes, limit appeals to the Board, and reduce time*  
24       *and money expended in such matters.*

(6) *The Board is well equipped to conduct a voluntary early intervention pilot program testing the efficacy of ADR at the initial stages of a personnel dispute. The Board can provide neutrals who are already well versed in both ADR techniques and personnel law. The Board handles a diverse workload including removals, suspensions for more than 14 days, and other adverse actions, the resolution of which entails complex legal and factual questions.*

**SEC. 3. MERIT SYSTEMS PROTECTION BOARD ALTERNATIVE  
DISPUTE RESOLUTION PILOT PROGRAM.**

(a) *AMENDMENT TO CHAPTER 5 OF TITLE 5.—Chapter 5 of title 5, United States Code, is amended by adding immediately after section 584 the following:*

**“§ 585. Establishment of voluntary early intervention  
alternative dispute resolution pilot program for Federal personnel disputes**

**“(a) IN GENERAL.—**

**“(1) *The Board is authorized under section 572 to establish a 3-year pilot program to provide Federal employees and agencies with voluntary early intervention alternative dispute resolution (in this section referred to as ‘ADR’) processes to apply to certain personnel disputes. The Board shall provide ADR services, upon joint request of the parties, in matters***

1 *involving removals, suspensions for more than 14*  
2 *days, other adverse actions under section 7512, and*  
3 *removals and other actions based on unacceptable per-*  
4 *formance under section 4303.*

5 “(2) *The Board shall test and evaluate a variety*  
6 *of ADR techniques, which may include—*

7 “(A) *mediation conducted by private*  
8 *neutrals, Board staff, or neutrals from appro-*  
9 *priate Federal agencies other than the Board;*

10 “(B) *mediation through use of neutrals*  
11 *agreed upon by the parties and credentialed*  
12 *under subsection (c)(5); and*

13 “(C) *non-binding arbitration.*

14 “(b) *EARLY INTERVENTION ADR.—*

15 “(1) *AUTHORITY.—The Board is authorized to*  
16 *establish an early intervention ADR process, which*  
17 *the agency involved and employee may jointly re-*  
18 *quest, after an agency has issued a notice letter of a*  
19 *proposed action to an employee under section 4303 or*  
20 *7513 but before an appeal is filed with the Board.*

21 “(2) *NOTICE IN PERSONNEL DISPUTES.—During*  
22 *the term of the pilot program, an agency shall, in the*  
23 *notice letter of a proposed personnel action under sec-*  
24 *tion 4303 or 7513—*

1           “(A) advise the employee that early inter-  
2           vention ADR is available from the neutral  
3           Board, subject to the standards developed pursu-  
4           ant to subsection (c)(1)(A), and that the agency  
5           and employee may jointly request it; and

6           “(B) provide a description of the program,  
7           including the standards developed pursuant to  
8           subsection (c)(1)(A).

9           “(3) REQUEST.—Any agency and employee may  
10          seek early intervention ADR from the Board by filing  
11          a joint request with the Board pursuant to the pro-  
12          gram standards adopted under subsection (c)(1)(A).  
13          All personnel dispute matters appealable to the Board  
14          under section 4303 or 7513 shall be eligible for early  
15          intervention ADR, upon joint request of the parties,  
16          unless the Board determines that the matter is not  
17          appropriate for the program subject to any applicable  
18          collective bargaining agreement established under  
19          chapter 71.

20          “(4) CONFIDENTIALITY AND WITHDRAWAL.—The  
21          consent of an agency or an employee with respect to  
22          an early intervention ADR process is confidential  
23          and shall not be disclosed in any subsequent pro-  
24          ceeding. Either party may withdraw from the ADR  
25          process at any time.

1           “(5) *ANCILLARY MATTER.*—*In any personnel dis-*  
 2           *pute accepted by the Board for the ADR pilot pro-*  
 3           *gram authorized by this section, the Board may at-*  
 4           *tempt to resolve any ancillary matter which the*  
 5           *Board would be authorized to decide if the personnel*  
 6           *action were effected under section 4303 or 7513,*  
 7           *including—*

8                       “(A) *a claim of discrimination as described*  
 9                       *in section 7702(a)(1)(B);*

10                      “(B) *a prohibited personnel practice claim*  
 11                      *as described in section 2302(b); or*

12                      “(C) *a claim that the agency’s action is or*  
 13                      *would be, if effected, not in accordance with law.*

14           “(c) *IMPLEMENTATION.*—

15                      “(1) *PROGRAM DUTIES.*—*In carrying out the*  
 16                      *program under this section, the Board shall—*

 19                               *been requested and is to be used;*

20                               “(B) *take such actions as may be necessary*  
 21                               *upon joint request of the parties, including waiv-*

 25                               *intends to complete the ADR process.*

1           “(2) *EXTENSION.*—*The Board, upon the joint re-*
